

# Automatic Pension Bureau

It has been calculated that if a man whose income remains the same year after year deposits one-third of his income each month in a savings bank at 4 percent he may retire in thirty-five years and continue to draw the full amount of his income each year. If he will deposit one quarter of his income in the same way he will be able to retire on full pay in 41 years; a fifth saved and deposited as before will enable him to cease work on full pay in 46 years, while a deposit of one-tenth will retire him in sixty years.

The Bureau of Navigation at Washington, calculates that if a sailor saves half his earnings and puts it in a savings bank that pays 4 percent interest, he will have coming to him at the end of his thirty years of government service \$29,923.00, the income from which will support him in comfort during the remaining years of his life.

Come to us and make provision for your own pension and be forever independent.

## Suggestive Questions On Sunday School Lesson By Rev. Dr. Linscott For the International Newspaper Bible Study Club

(Copyright 1910, by Rev. T. S. Linscott, D. D.)

Lesson for Sept. 11, 1910.

The King's Marriage Feast. Matt. xxii:1-14.  
Golden text—Many are called, but few are chosen. Matt. xxii:14.  
Verse 1—Read the preceding chapter and say whether Jesus answered their words or their thoughts.  
Verse 2—What points of resemblance are there between the kingdom of heaven and a king making a marriage feast for his son?  
Who did Jesus mean the king, and the king's son to represent?  
Who are the bride and the bridegroom in this wedding? (See Rev. 21:9.)  
How does a marriage feast represent the gospel? (See Isa. 25:6. 1 Cor. 5:9. Rom. 14:17.)  
Verse 3—Who were the first bidden

to the gospel feast, and why did they not come?  
By whom did God send out his first invitation?  
Verses 4-6—What are the luxuries offered to us in the gospel?  
Why did the world and the Jewish church alike refuse the gospel invitation?

What excuses do people make today for not coming to the gospel feast? (This question must be answered in writing by members of the club.)  
Which were the more pronounced in their refusal to come to the marriage feast of the gospel: the world or the Jewish church?

What part did the world take in assisting the then organized church in slaying Jesus and the apostles?  
What is the denier of a backslider, corrupt priest or preacher, compared to a worldly man, in the matter of their rejection of the invitation to the gospel feast?

Verse 7—What armies, as a matter of fact, destroyed the murderers of God's servants and laid Jerusalem in ruins?  
Verses 8-10—To whom was the gospel message first sent, and why was it then so restricted? (See Chap. x:5-6.)

When was the invitation to this wedding feast first offered to the gentiles? To what nations is the gospel invitation being offered today?  
Why are the bad bidden to this wedding feast as well as the good?

Are there any so bad that the invitation is not intended for them?  
About how many are living today who have accepted the invitation to this gospel feast?

Verses 11-13—Who does this quest represent who did not have on a wedding garment?  
What proportion of hypocrites, or unsaved persons, are today members of evangelical churches?

God calls everybody; why are so few chosen?

## A Pleasant Way to Economize—

# Cook With Gas

Right now—the first of the month—when all the bills are coming in—economizing is in the minds of most El Paso housekeepers. The best way to economize, and the most pleasant way, is to cook with gas.

Cooking with gas is 1-3 to 1-2 cheaper than cooking with coal—the difference depending on how careful you are about turning the burners off the minute you are through with them. You see, gas is made from coal, but it's the poorer and cheaper grades of coal. The coal you use in your kitchen stove has to be of pretty good, and expensive, quality—then, you waste a good deal of it in the smoke.

Install a gas range, watch your bills carefully. Don't count the saving to you of time and strength—just figure the difference between your gas bill at the end of a month and how much coal you used in the same time. You will agree that cooking with gas is the best way to economize!

## TUCUMCARI SCHOOLS' LARGE ENROLMENT

New Hotel Building Under Construction; Jail Cells Accepted.

Tucumcari, N. M., Sept. 3.—The enrolment at the end of the first week's school, shows a larger percentage of attendance than ever before in the history of this city. There are 446 pupils in the grades, 22 in the high school, and 24 in the commercial department, making a total of 492. Nearly every class has increased in number and the greatest harmony prevails. A declamatory contest will be held in about six weeks, and Miss Myrtle McKenzie, who has charge of the department of music, is organizing a glee club.

The county commissioners have accepted the new cells just completed for the city jail at a cost of \$3200, by the Paul J. J. company, of St. Louis. J. R. Daugherty has sold the lots on which the livery stable stood on Main street before the fire of last week, to W. B. Rector, of this city, for a consideration of \$4000. It is rumored that Mr. Rector will erect a modern business block on the property.

The county commissioners have accepted the new cells just completed for the city jail at a cost of \$3200, by the Paul J. J. company, of St. Louis. J. R. Daugherty has sold the lots on which the livery stable stood on Main street before the fire of last week, to W. B. Rector, of this city, for a consideration of \$4000. It is rumored that Mr. Rector will erect a modern business block on the property.

Work has begun on the new Cover hotel to embrace the present structure and occupy the vacant lot adjoining on the east. The old building of stone will be remodeled and made to correspond in appearance with the new, which will be constructed entirely of reinforced concrete. The office will be placed as at present and the rooms will be equipped with telephones and baths. Ritz & Son have the contract for the concrete work and U. N. Whitehall, the carpentry.

J. A. Tally has been here from Las Vegas seeking a location for a machine shop and foundry. As Tucumcari is greatly in need of the class of business which he represents, he was naturally pleased with the outlook and spoke encouragingly of locating at this point. He will return here in a few days to give definite answer.

A carload of copper wire has been received here to construct the telephone line north to connect with lines at Dalhart. The line between this city and Santa Rosa is now under construction and will possibly be completed within a couple of weeks. An underground conduit has been placed, crossing the railroad yards, and three miles of cable hung, also another switchboard has been installed, accommodating 600 phones, greatly improving the local service.

There will be a polo game at the ball park Sunday afternoon, between the Bell ranch and Tucumcari teams. The lineup is as follows: Bell ranch, R. E. Vaughn, Walter Hart, Horace Hollis, Tom Horton, Tucumcari, Sias May, Alex Street, Lewis Roberts and Bill Davis. The game is under the management of the local polo club and is a preliminary attraction for the Labor day sport.

O. A. Larrazola, who was to have spoken here for the Democratic party, was unable to keep his engagement owing to misunderstanding in the dates.

Peter Kramer is in El Paso undergoing treatment for injuries received here in which complications have arisen. He is at Hotel Dign.

Union services of the various churches will be held under the auspices of the First M. E. church Sunday evening. Rev. T. Guy Ament will deliver the sermon.

Rev. Samuel Blair, D. D., superintendent of the M. E. church of New

Mexico, was in the city holding the fourth quarterly conference. Dr. Blair was urged to influence the bishop to return Rev. Guy McBride to this charge for another year.

The Aid society of the Presbyterian church will meet at the home of Mrs. D. W. Clark on South Second street, Thursday afternoon.

The Catholic church held a social to raise funds to repair the church, which was damaged by the hard rains. Rev. J. M. Shiner has received the appointment to the pastorate of the M. E. church at Belen, N. M., for the coming year.

Clyde Jones, of the E. P. & S. W. offices, who was badly poisoned by the bite of an insect, is reported to be improving.

Mrs. A. D. Panky and children have returned from a two months' visit to friends in Texas.

H. Ramour, who was at one time engaged in the restaurant business here, died and was buried at Sunnyside, Rev. Guy McBride officiating.

The fire department has received a new set of uniforms which add much to the appearance of the company.

## CRACK SHORTSTOP OF NEW YORK GIANTS

Al Bridwell, the crack shortstop of the Giants, who is playing remarkable ball just about this time. He is known

as "Timely Al" and a timely hit in a recent game with the Pirates settled the entire affair for the batter's club. Bridwell has always been known as a most likely come-on, but his recent performances have more than justified any prophecy ever made about him.

## ACCUSED OF ROBBING BLIND MAN OF CASH

New York, N. Y., Sept. 3.—Margaret Miller, a comely young girl of New York, is held in \$2000 bail for an alleged assault upon a blind man. The blind man, John Ottorson, swore that he entered the cigar store where the girl was acting as clerk, and asked for some

cigars and while waiting for his change, declares the girl came up behind and demanded his money, choking him until he was compelled to surrender it. The girl denied the charge, but was nevertheless held because of the statements of bystanders about the store who claimed Ottorson asked their aid, and because of his blindness.

## WEALTHY AMERICANS HOME IN STEERAGE

Steamships Are All Crowded, and Then, Too, Many of the Returning Passengers Come Home "Broke."

New York, N. Y., Sept. 3.—Several wealthy Americans traveled across the Atlantic in the steerage of the Lusitania, which arrived Friday, so anxious were they to get home.

With more than 300 passengers in the cabins, and every stateroom taken, in the steerage of the Lusitania was a well known jurist and his family of six, also a director of a local trust company, who came steerage because the cabins were filled.

According to immigration officials the rush of homeward travel is not the only reason for the use of steerage by hundreds of Americans last month.

Seeing the signs of Europe has sent many of them all but "broke" to the ticket offices of the steamship company.

Teacher—I can't teach this young Dutchman to talk English.

Principal—But why?  
Teacher—I've been working an hour and I can't make him see the difference between a flathead and a level-headed man.

## FOR ECZEMA AND ITCHING SKIN

It gives me much pleasure to write you that your Imperial Remedy has proved to be the most reliable medicine I have ever used in the treatment of all curable skin eruptions. I have employed it in two cases of Eczema, one a chronic and the other an acute. Both were completely cured. It is the nicest preparation I have ever seen, so offensive odor, no disagreeable effects follow its application, as is generally the case with nearly all preparations for such diseases. It seems to go right down to the pores and purify the diseased parts. Dr. W. W. Stone, Edna, Texas.  
For 25 years Imperial Remedy has been used in nearly every city, village and hamlet in the South for the cure of skin diseases. If you are a sufferer, a sure cure awaits you. For sale by all druggists at \$1.00 per bottle. Made by Imperial Medicine Co., Houston, Texas.

## Notice to Employees

On and after September 15 a better grade of penmanship is desired in all office work. What kind of a hand do you write, young man? "Well, I'm a little out of practice just now." Then you're better attend the night school at the International Business College and brush up on your penmanship, as we must have plain business writing in all departments of our work hereafter. The expense is little or nothing—only \$10 for a six months' course—and your services will be worth more than twice that much more to our business. You can't invest a little time and money to any better advantage. I would suggest that you call up Bell Phone 1147 this evening and ask for Prof. R. E. Seay, International Business College.
